Conferencia Internacional del Trabajo
111.^a reunión, 2023

La liste des délégations est présentée sous une forme trilingue. Elle contient d'abord les délégations des Etats membres de l'Organisation représentées à la Conférence dans l'ordre alphabétique selon le nom en français des Etats. Figurent ensuite les représentants des observateurs, des organisations intergouvernementales et des organisations internationales non gouvernementales invitées à la Conférence.

Les noms des pays ou des organisations sont donnés en français, en anglais et en espagnol. Toute autre information (titres et fonctions des participants) est indiquée dans une seule de ces langues: celle choisie par le pays ou l'organisation pour ses communications officielles avec l'OIT.

Les noms, titres et qualités figurant dans la liste finale des délégations correspondent aux indications fournies dans les pouvoirs officiels reçus au jeudi, le 15 juin 2023 à 18h00 (heure de Genève).

The list of delegations is presented in trilingual form. It contains the delegations of ILO member States represented at the Conference in the French alphabetical order, followed by the representatives of the observers, intergovernmental organizations and international non-governmental organizations invited to the Conference.

The names of the countries and organizations are given in French, English and Spanish. Any other information (titles and functions of participants) is given in only one of these languages: the one chosen by the country or organization for their official communications with the ILO.

The names, titles and designations appearing in the final list of delegations are those given in the official credentials received up to Thursday, 15 June 2023 at 18h00 (Geneva time).

La lista de delegaciones se presenta en forma trilingüe. En primer lugar figuran los Estados miembros de la Organización en orden alfabético en francés. Seguidamente aparecen las delegaciones de los observadores, organizaciones intergubernamentales y organizaciones internacionales no gubernamentales invitadas a la Conferencia.

Los nombres de los Estados y organizaciones asistentes a la Conferencia figuran en francés, inglés y español. Los demás datos (títulos y cargos de los participantes) aparecen sólo en uno de estos idiomas: el que eligió el país o la organización para sus comunicaciones oficiales con la OIT.

Los nombres, títulos y cargos que figuran en la lista final de delegaciones son los que constan en los poderes oficiales recibidos hasta el jueves, 15 de junio de 2023 a las 18h00 (tiempo de Ginebra).
